O-Ring Kits & Specialty Products

O-Ring Kits

Wide selection. All perfection.

You need it, we've got it. Our kits make it even easier to stock the perfect fit for any need. And count on our vast selection of specialty products to seal the deal in the most challenging situations. Kits come in sturdy plastic containers with cards to indicate the size and quantity in each compartment. They're packed in plain boxes for easy reshipment. You'll also appreciate the reliable cost-effective delivery systems. J Royal and its world-wide network of suppliers are ISO: 9001:2008 certified so you can count on consistent quality. We offer one of the most extensive inventories in the industry for the efficient convenience of one-stop shopping for all your needs. And if you've got questions, we've got experts with the right answers.

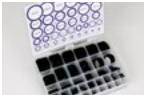

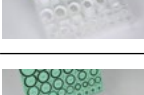

For more information, quick quotations, expert consultation and responsive customer service call us at 800 626 8807.

LIMITED WARRANTY J Royal Co. ("Seller") warrants that its products ("Goods") will perform in accordance with their specifications; that the goods will be free from manufacturing defects for a period of twelve (12) months from the date of delivery of the goods to Buyer; and that the goods will be as specified by Buyer in the purchase order. Seller should have the right to elect to either refund the purchase price for any defective goods or replace any defective goods, provided that the goods were used in the manner for which they were manufactured. Seller does not warrant that the goods are fit for any particular purpose. Seller should have no obligation to refund the purchase price or replace goods that are rendered defective by a Buyer or a third party after they leave Seller's place of shipment.

LIMITED LIABILITY Seller's liability for its goods is limited to their terms set forth in Seller's express warranty set forth above, in no event shall Seller's liability exceed the total purchase order price. Seller is not assuming any liability for any indirect, collateral, special, incidental or consequential losses or damages suffered by Buyer, or by any end-user or other third party, including but not limited to, lost profits, loss of business reputation and/or lost business opportunity, for any possible cause of action or claim arising out of or related to the goods sold to Buyer, even if Seller has been advised of the possibility of such loss or damage.
